## GALLAGHER SHOPPING PARK, PORT GLAGOW

---

Allan & Hanel provided pre-contract bills of quantities for Interserve Construction to assist their bid to win the construction of a new B&Q Warehouse and Barr Construction on new retail units at the Gallagher Shopping Park in Port Glasgow. The works included construction of a 6,750m<sup>2</sup> warehouse with mezzanine office space and 10,000m<sup>2</sup> of retail units including tenant fit out for the lead tenant. The works also included car parks, burn diversion and culvert works, hard and soft landscaping, incoming services, street lighting, drainage and road junction alterations.

Project Value:       £4,000,000 and £7,000,000

Client:               Interserve Construction/Barr Construction
