

CONVERSION OF BONDED WAREHOUSE STRAND STREET KILMARNOCK

Conversion of existing listed bonded warehouse to provide office accommodation for East Ayrshire Council. The works included extensive repair of the existing fabric, including rot repairs, renewal of roof coverings, repairs to stonework and renewal of windows, together with the complete internal refurbishment of the building including the construction of new fire escape staircases, renewal of services installations and internal fitting out. The works were traditionally procured with Allan & Hanel acting as Quantity Surveyors.
