

STRATHKELVIN DEVELOPMENT COMPANY LIMITED MILNGAVIE ENTERPRISE CENTRE

The project involved the construction of a new starter business centre for new or expanding local businesses. The building included a range of office sizes, shared conference and meeting facilities, a café and a main entrance reception area.

The works, which were carried out concurrent with an adjacent housing development, were procured under a Design and Build contract arrangement and Allan & Hanel provided Employers Agent, Quantity Surveyor and CDM Co-ordinator Services.

The works comprised the design and construction of a three storey steel framed building including vehicle parking, hardstandings, drainage, external works, landscaping and incoming services.

Contract Value: £1,305,000

Client: Strathkelvin Development Company Limited

Architect: Dallman Johnstone
