## EAST DUNBARTONSHIRE DEVELOPMENT COMPANY LIMITED KIRKINTILLOCH LEARNING CENTRE

---

We were employed as Employer's Agent, Quantity Surveyors and CDM Co-ordinators for the demolition of an existing social club and the construction of an extension to the existing Learning Centre which almost double its size. The building provides learning facilities, meeting rooms, café and a nursery for the local community. The works were carried out on a steep site bounded by a busy road and a canal whilst the existing building remained occupied throughout the construction period.

Contract Value:     £4,200,000

Client:                 East Dunbartonshire Development Company Limited

Architect:            Richard Murphy Architects
