

HUB WEST SCOTLAND BARRHEAD HIGH SCHOOL

Allan & Hanel provided Quantity Surveying and Principal Designer Services working with hub West Scotland and East Renfrewshire Council to provide a new 11,500m² Secondary School in Barrhead. The school will provide an inspirational and flexible learning environment for 800 pupils and 100 vocational students.

Other works include car parking, hard and soft landscaping, 3G pitch, games courts, relocation of a skatepark, the provision of new public changing facilities for the sports pitches, incoming services, flood alleviation works and demolition of the existing school.

Project Value: £25,000,000

Client: hub West Scotland/East Renfrewshire Council

Consultants: BDP, Ramboll, TUV SUD
