

NORTH LANARKSHIRE COUNCIL CARNEGIE LIBRARY CONVERSION AND REFURBISHMENT

We were appointed to undertake feasibility costs for a variety of options for the potential use of the Carnegie Library in Coatbridge. The options proposed involved converting the existing building into residential apartment or offices, or demolishing part of the building, retaining part and building an extension to the retained building to provide up to 28 residential apartments. The works include external fabric repairs to the listed building.

Project Value: £2,000,000 - £4,000,000
