

RENFREWSHIRE COUNCIL LINWOOD ASSISTED SPECIAL NEEDS SCHOOL

Allan & Hanel provided pre-contract Quantity Surveying Services producing bills of quantities and pre-tender estimates for CBC (Glasgow) Ltd on a new Assisted Special Needs School in Linwood. The school provides pre-5, primary and secondary education on one site and offers improved accessibility for pupils with physical and sensory difficulties along with better access to sports facilities and IT equipment. The building is a single storey timber frame construction and the works include swimming pools, specialist equipment, 3G pitch, car parking, hard and soft landscaping, incoming services and fencing.

Project Value: £14,000,000

Client: CBC (Glasgow) Ltd/ Renfrewshire Council

Architect: Renfrewshire Council
