## EAST RENFREWSHIRE COUNCIL BARRHEAD REGENERATION

---

Allan & Hanel provided Quantity Surveying Services on the regeneration of the Muriel Street Industrial Estate to make it more attractive to existing and potential businesses. The works involved the removal of all of the different boundary fencing/walling to each property and building new walls and fences to give a uniform effect. Footpaths and streetlighting were also upgraded as part of the works.

Contract Value:     £300,000

Client:                 East Renfrewshire Council

Consultant:           Land Use Consultants
