

EAST KILBRIDE LEISURE HUB

We provided bills of quantities to assist the tendering contractors with their bid for refurbishment and remodelling of the Leisure Hub at Scotland's largest covered shopping centre, in East Kilbride.

The project will provide 11 new restaurants and cafe, a refurbished ice rink and provide a shell for and Aerial Adventures vertical climbing wall and state of the art high altitude adventure course.

The works included downtakings, structural alterations, new shop frontages, floor, wall and ceiling finishes, mechanical and electrical installations, new lift, stairs, balustrading and bespoke features.

Contract Value: £2,500,000

Client: Interserve/Robertson Construction/CBC

Architect: BDP
