## CUMBRAE PARISH CHURCH, MILLPORT

---

Allan & Hanel were employed to provide Quantity Surveying and Principal Designer services for the provision of a new build church and car parking in Millport on the Isle of Cumbrae.

The new development has been built on vacant farmland adjacent to the local primary school, relocating from the old, redundant church.

Contract Value:     £735,000.00

Client:                 Cumbrae Parish Church

Consultants:         McLean Architects, Henderson Warnock, Stuart McTaggart
