## THE GOOD SHEPHERD CENTRE, BISHOPTON – PHASE 1 RECREATIONAL AND OCCUPATIONAL FACILITIES

---

Allan & Hanel were employed to provide Quantity Surveying services for the provision of a new changing facility and seven a side football pitch, within the existing Good Shepherd secure support unit.

The works consisted of a new FIFA 2 star synthetic football pitch with associated security fencing and lighting, a new 25 bay car park and a new build changing rooms and garage. The facility will be used by young people housed within the support units as well as the wider community in Bishopton.

Contract Value:     £1,060,000

Client:                 The Good Shepherd Centre

Consultants:         The Kerr Practice, Dewar Associates and Davie + McCulloch
