

RESIDENTIAL DEVELOPMENT KENT ROAD, GLASGOW

Allan & Hanel provided Pre-contract Quantity Surveying services on a new build development consisting of 20nr one and two bedroom flats including penthouses in the trendy Finnieston postcode, due for completion in summer 2020. The high spec apartments include glass balustrades, bespoke kitchens with Silestone quartz worktops, integrated Siemens stainless steel appliances, Laufen bathrooms and en-suites, and Porcelanosa tiling.

The seven-storey building will replace a disused church-turned-restaurant at Kent Road.

Contract Value: £2,700,000

Client: Kelvin Properties

Consultants: Holmes Miller
